

Work Report (period 1.6.2014 to 30.6.2014) by RRU

1. Solved the problem faced by ABR Lab people while using USB-RS485 mcmtest program. Shri Ajit asked me to check if user other than root can run the mcmtest program. It has been done in ABR lab, it's working properly.
2. Changed the Online_V2 code to include stack size for thread. Tested the modified code.
3. Tested the Online_V2 & GWB correlator along with Mr. Harshwardhan.
4. Installed the Online_V2 code on Naresh's Machine so that he can tested the One MCM- Two system configuration.
5. Attended the SysML Training.
